

Between March and December of 2021, Project Mercy Foundation organized specialist medical camps at our clinic in Mombasa, Kenya. These camps provided an opportunity for underserved populations to receive medical attention they otherwise may not have access to.

MEDICATIONS WERE DISTRIBUTED FREE OF CHARGE AT EVERY CAMP.

AREAS REPRESENTED

PATIENTS TRAVELED FROM (distance in kilometers)

Nairobi	485	Kilifi	75
Tana River	265	Kwale	40
